Android and IPhone Instructions
to connect to CSN_Wireless

**Android**

**Step 1:**
Select the CSN_Wireless SSID

**Step 2:**
Make sure the EAP Method and Phase 2 Authentication are set up as shown.

Log in using your complete CSN Credentials (include @xxx.edu) under Identity, enter password and click Connect.

Trust the certificate if asked.

At the splash page, accept the Agreement to complete connection.

**iPhone**

**Step 1:**
Select the CSN_Wireless SSID

**Step 2:**
Login using complete CSN Credentials. (include @xxx.edu)

If asked to select Authentication, select WPA2 Enterprise

Trust the Certificate when asked.
