

Health Programs Orientation (HPO) Schedule

Out of an abundance of caution due to COVID-19, Health Programs Orientation will be conducted online only.

To complete the HPO online in CANVAS:

- Email your **name, NSHE Student ID number, and email address** to Arlen.Prescott@csn.edu and indicate you would like to complete the online HPO. This information must match what is listed in your MyCSN.
- Please be aware that it may take up to one week to add the HPO to CANVAS.
- Log in to CANVAS at <https://www.csn.edu/online-campus> and follow the steps.

Students pursuing a CSN Limited Entry Health Program are required to complete a mandatory Health Programs Orientation (HPO) prior to meeting with a Health Programs Advisor.

Note: If you have already completed a Health Programs Orientation within the last two years, you **do not** have to repeat it.
