

ACADEMIC INTEGRITY POLICY

Academic integrity is a legitimate concern for every member of the CSN college community. By joining the CSN college community, students accept the expectations to always take the ethical path and uphold the standards for integrity and honesty in their individual academic studies and to encourage others to do the same. It is the policy of CSN to review and investigate all allegations of violations of the academic integrity policy, and if violations have occurred, to impose appropriate sanctions that maintain the integrity of CSN's academic courses and programs.

CSN students assume the obligation to conduct themselves with integrity in their academic pursuits and in a manner that is compatible with the CSN Student Conduct Code (available at www.csn.edu/policies) and CSN's mission as an educational institution with high standards of integrity overall. Students who violate these standards for academic honesty and integrity will be subject to CSN's disciplinary process. Complete information about the Academic Integrity Policy can be obtained at www.csn.edu/studentacademicintegrity.

ACADEMIC RENEWAL

Academic Renewal allows students to request that as many as two consecutive semesters' grades not be included in the calculation of their cumulative grade point average, academic standing and eligibility for graduation. The student must submit an Academic Renewal Form to the Office of the Registrar. If Academic Renewal is awarded then it must include all the courses for that given semester(s). If summer courses are to be included in the work disregarded, then course work from all summer terms of the same calendar year shall count as one semester. Academic renewal can only occur once during a student's academic career. To maintain a true and accurate academic history, all work will remain listed on a student's permanent academic record. The record will be annotated to indicate that work taken during the disregarded semester(s), even if satisfactory, will not apply toward graduation requirements. There will be no reimbursement of fees for the semester(s) which academic renewal is granted. *Course work disregarded under this policy may continue to be used for the calculation of eligibility to receive financial aid and scholarship.*

Eligibility for academic renewal shall be subject to the following conditions:

- At the time the petition is filed, a minimum of five years shall have elapsed since the most recent course work to be disregarded was completed.
- In the interval between the completion and the filing of the petition, the student shall have completed a minimum of fifteen credits of course work from a regionally accredited institution of higher education with a minimum grade point average of 2.5 on all work completed during that interval. Courses taken during this interval may be repeats of previously attempted college work.

Enrollment in CSN non-credit courses, which are not state-funded, shall not be used in determining “date of matriculation” for evaluation of residence.

NAME CHANGE

Students who wish to change their name on record at CSN will need to complete the Request to Change Personal Identification Data Form available at the Office of the Registrar and provide appropriate documentation such as government-issued picture ID, marriage certificate, divorce decree or other court documents. Students must submit the form and supporting documents in person. Name changes are processed for currently enrolled students only.

RELIGIOUS HOLIDAYS

It is the policy of the Nevada System of Higher Education to be sensitive to the religious obligations of its students. Any student missing class, quizzes, examinations, or any other class or lab work because of observance of religious holidays shall, whenever possible, be given an opportunity during that semester to make up the missed work. The make-up will apply to the religious holiday absence only. It shall be the responsibility of the student to notify the instructor in advance and in writing if the student intends to participate in a religious holiday that does not fall on state holidays or periods of class recess. This policy shall not apply in the event that administering the assignment at an alternate time would impose an undue hardship on the instructor or the institution that could not reasonably have been avoided.

Any student, who is denied a make-up option after appropriately noticing the instructor shall have the right to appeal that decision through the normal appeal mechanism in place at CSN.

REMEDIAL POLICY

1. The Nevada System of Higher Education reserves the right to cancel the admission or registration of any individual whose attendance at a university or college, in the opinion of the appropriate administrative officer and the President, would not be mutually beneficial to that individual and the university or college.
2. Placement testing should take place prior to matriculation. Additionally, English and mathematics testing must take place no more than two years prior to matriculation.
3. All degree-seeking students who place in developmental/remedial coursework must take the prescribed sequence of courses until remediation is completed.
4. Students requiring remediation **must complete all required coursework prior to completion of 30 college-level credits** unless otherwise authorized by the institution.

CSN'S POLICY AGAINST SEXUAL HARASSMENT

1. **Sexual Harassment is Illegal under Federal and State Law.**

The College of Southern Nevada (CSN) is committed to providing a place of work and learning free of sexual harassment, *including sexual violence*. Where sexual harassment is found to have occurred, CSN will act to stop the harassment, to prevent its recurrence, to *remedy its effects*, and to discipline those responsible in accordance with the Nevada System of Higher Education (NSHE) Code or, in the case of classified employees, the Nevada Administrative Code. Sexual harassment, *including sexual violence*, is a form of discrimination; it is illegal.

No employee or student, either in the workplace or in the academic environment, should be subject to unwelcome verbal or physical conduct that is sexual in nature. Sexual harassment does not refer to occasional compliments of a socially acceptable nature. It refers to behavior of a sexual nature that is not welcome, that is personally offensive, and that interferes with performance.

It is expected that students, faculty and staff will treat one another with respect.

2. Policy Applicability and Sanctions.

All students, faculty, staff, and other members of the campus community are subject to this policy. Individuals who violate this policy are subject to discipline up to and including termination and/or expulsion, in accordance with the NSHE Code (or applicable Student Code of Conduct) or, in the case of classified employees, the Nevada Administrative Code. Other, lesser sanctions may be imposed depending on the circumstances.

Responsibility for coordination of compliance efforts and receipt of inquiries concerning Title VI, Title VII, of the Civil Rights Act of 1964, Title IX Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, and the Americans with Disability Act of 1990, has been delegated to Debbie Tanner, Compliance Investigator II, Charleston Campus – 6375 West Charleston Blvd., Office E-128, Las Vegas, NV 89146, 702-651-5783, debbie.tanner@csn.edu.

Additional information regarding CSN's grievance procedures may be found in the Affirmative Action Plan located on the Affirmative Action web page at www.csn.edu and in Appendix C of CSN's College Catalog.

SOCIAL SECURITY NUMBER POLICY

In accordance with the Federal Privacy Act of 1974, applicants for admission and enrolled students at CSN are advised that disclosure and use of their social security number is voluntary. All students will be assigned a Nevada System of Higher Education (NSHE) number. The assigned NSHE number may be used:

1. to identify student records at CSN.
2. for registration and course enrollment.
3. for recording grade information.

Students who are employed full-time by CSN or who receive federally funded educational aid must disclose their Social Security numbers for payroll and other mandatory reporting purposes. The Higher Education Act of 1965, as amended, gives the United States Department of Education (and parties authorized to assist them in administering the student aid programs) the authority to collect a student's Social Security number for federal student assistance purposes. A Social Security number is required for the 1098T Tax Credit, federal financial assistance, Millennium scholarship and the National Clearinghouse for enrollment verification.

TRANSCRIPT REQUEST

Students may request official transcripts for their own personal use or have transcripts sent to another institution. Official transcripts are printed on security paper and bear the CSN seal and signature of the Registrar.

Requests for official transcripts can only be accepted from a student him/herself unless the student gives written authorization for release to another person or organization. Students can request official transcripts online, by mail, or in person. Transcript ordering instructions can be found on our website at www.csn.edu/registrar via the "Transcript Information" link on the right side of the page. Allow 3-5 business days for processing and an additional 3-5 days at the beginning of each semester.

Students can print unofficial transcripts via MyCSN. Unofficial transcripts are computer print-outs and do not bear the CSN seal or signature of the Registrar.
