Job Description

Practical nursing focuses on providing general and routine care to the ill, injured, or infirmed under the direction of a registered professional nurse. Upon completion of the program, the practical nurse becomes a skilled and knowledgeable health care provider.

Career Opportunities

Practical nurses work with people of all ages in:

- Hospitals
- Clinics
- Offices
- Home Health
- Long Term Care
- Federal Government

Personal Profile

In addition to successfully completing the prescribed course of study in an approved school of nursing, the Nevada Nurse Practice Act (NRS 632.270) requires that candidates for licensure be (1) of good moral character, (2) have a high school diploma or its equivalent, and (3) be at least 18 years of age. Prospective students are advised that if they have been convicted of a felony prior to admission to the program, they may be precluded from subsequent licensure to practice as a nurse in Nevada (NRS 632.320).
